Rabbi Chaim Veshnefsky is well known to me since his days as a *talmid* in our Yeshiva as a true *Yarei Shamayim*. He has been incredibly successful over the years in explaining the *inyanim* of *emunah* in the *Borei Olam* and *Torah MiSinai* (even to *talmidim* of the best *mosdos hachinuch*) which are the foundation of the entire Torah. He has also given clarity on many *hashkafa* issues which are commonly misunderstood (such as צדיק ורע לו, etc.). Not only have his *shiurim* enlightened his *talmidim*, but they have been the catalyst to inspire many who fulfill *mitzvos* robotically to become fired up in their Yiddishkeit and to become great *masmidim*! His advice and *hadracha* in these *inyanim* will be of great help to *mechanchim* and parents in providing their *talmidim* with correct and truly satisfying answers. Whoever helps him will have a *chelek* in this great mitzvah.

Wishing much *hatzlacha*,

HaRav Reuven Feinstein
Rosh Hayeshiva, Yeshiva of Staten Island
